Steve and Patrick – let me know if you'll be able to squeeze some time in today for this call. If not, no worries, just let me know what times could work on your end.

Thanks!

Maryam

Subject: Call regarding Riverside Ag Park Off-Site Work Group

Steve and Patrick, Peter has asked me to set up a call to discuss the possibility of helping us with professional facilitation for the Riverside Ag Park Off-Site Work Group. We'd also like to engage with ATSDR regarding the City's petition, find out their data needs, and bring them up to speed on the Riverside Ag Park Off-Site Work Group. I have blocked out a window from 11 through 1 PM tomorrow for a quick discussion on a facilitator and schedule for an ATSDR meeting; I don't think we will need more than 15-30 minutes for this call.

Let me know if this is a window that works, or send alternate times, and I will set up an appointment request. Thank you.
